

Indian River State College

Turn the hardship of COVID-19 into an opportunity for a better future.
Quickly earn a certificate in the high-demand field of

ELECTRONICS ENGINEERING TECHNOLOGY.

Work in essential industries paying high wages!

- Classes are available in convenient online and hybrid formats.
- Study local and eliminate expenses of commuting and living in a dorm.
- Minimize costs with affordable classes compared to a four-year university or private institution.
- Obtain a certificate quickly in just two semesters or a degree in less than two years.
- Find stable, sustainable employment in the areas of telecommunications, utilities, healthcare facilities, alternative energy, research laboratories and more.
- Choose a high-paying career pathway that leads to jobs with excellent potential for growth.

Gain hands-on skills in state-of-the-art training labs.

Robotics/Automation

Photonics

High-Power Lasers

Fiber Optics

Fabrication

Computing, Simulation and CAD

Solar

**35 KW
Solar Photovoltaic Field**

Companies and organizations that hired our graduates

Research and Development:

Harbor Branch Oceanographic Institution, L3Harris Photonics, Northrop Grumman, and Sea Robotics

Telecommunications:

PCS Fiber, AT&T, ITS Fiber, and Comcast

Industrial Automation:

Distribution Centers for companies such as Witron, Walmart, Walgreens, Amazon, Auto Labe, Kopp Development, and TAMCO

Utilities:

Florida Power & Light, Fort Pierce Utilities Authority, Vero Beach Utilities, Port Saint Lucie Utilities, City of Stuart Utilities, Okeechobee Utility Authority, and South Florida Water Management District

Healthcare:

Sebastian River Medical Center, Cleveland Clinic Indian River Hospital, Lawnwood Regional Medical Center and Heart Institute, St. Lucie Medical Center, Cleveland Clinic Martin Health, and Raulerson Hospital, as well as other medical companies like GE Medical, and Varian Medical Systems

Defense and Security:

Jenoptik, Sikorsky Aircraft, Pratt & Whitney, L3Harris, Northrop Grumman, Lockheed Martin, and Gooch & Housego

\$61,620

Median wage for electronics engineering technicians in Florida*

- Audio-Visual Technician • Automation Technician • Avionics Technician • Biomedical Technician
- Electronics Technician • Digital Technician • Electromechanical Technician • Electronic Bench Technician • Electronics Repair Technician • Engineering Technician • Field Service Technician
- Industrial Electrical Controls Technician • Laser Technician • Marine Electronics Technician
- Medical Equipment Technician • Opto-Electronics Technician • Photonics Technician • Robotics Technician • Test Technician • Traffic Signal Technician • Wireless Internet Technician
